Recognition and Validation

In a slow economy and competitive workplace, these validations can make a big difference in how you are perceived and measured against other engineers.

Abdul Hadi Saif
Civil Engineer

Pebble Hills University is accredited by International Accreditation Organization (IAO) for achievement of highest standards in Organizational Management, Business Management and Business Performance through a commitment to quality and continuous improvement in Education. IAO is associated with world's leading and nationally recognized quality assurance agencies worldwide for betterment of educational standards. Some of the current IAO partners are : Department of Adult & Higher Education, Ministry of Education (Bhutan), The National Commission for University Evaluation and Accreditation (Argentina), The National Higher Education Accreditation (Costa Rica), The Accreditation and Quality Assurance Commission (Palestine), The Agency for Development of Higher Education and Quality Assurance (Bosnia and Herzegovina),

Accreditation Agencia (Chile), The Quality Assurance & Accreditation Council (Sri Lanka), Public Agency for accreditation of Higher Education (Albania), Center for Quality Assurance and Accreditation for HEI (Libya) and Higher Education Quality Evaluation Centre (Latvia), etc. International Education Accreditation Commission recognizes IAO's accreditation standards.

This is an International Accreditation Organization (IAO) certified program. You will be eligible to apply for the **IAO Certification for Engineering Professionals**. Moreover, an **Equivalency Diploma and Comprehensive Evaluation Report** will be issued by the California University Foreign Credential Evaluator (CUFCE).

IAO Certification for Engineering Professionals
IAO recognizes the need of engineers and other technical professionals to develop and validate their skills in technical management as they progress through their careers. To meet such needs of engineers, IAO has created various professional certifications especially for engineers such as civil engineers, mechanical engineers, chemical engineers, computer engineers, electrical engineers etc. Up to date IAO has certified over 6,000 engineering professionals. This certification proves as recognition for the individuals as a leader in the practice of their specialized field of engineering. IAO Certification is an advanced qualification beyond licensure recognized by clients, employers, peers, and the public. IAO Certification demonstrates attainment of a body of knowledge within a specialty area of engineering and commitment to stay current on new technological innovations.

DESIGN, TECHNOLOGY AND MANAGEMENT SOCIETY INTERNATIONAL

Pebble Hills University students are accepted for membership within the Technological Chapter of Design, Technology and Management Society International (DTMSI). For admission into the International Institute of Engineers, prospective members should have an appropriate engineering qualification. Membership is open to corporate members of the DTMSI within the Technological Chapter and for applicants recognized at the same level from other professional institutes.

Admission Requirement

If you have successfully completed a Foundation degree or an HND in Business or another relevant discipline you may be eligible to 'top up' your knowledge and skills and gain a BA/BS degree from Pebble Hills University. This program is ideal if you:

1. are aged 20 or over

2. are willing to work hard on an intensive program
3. have a Diploma, HND or non-standard degree

Courses

Pebble Hills University offers multiple “top-up” degree programmes (distance learning) for the Higher National Diploma/Higher Diploma/Associate Degree graduates who wish to pursue further studies at degree level. Students with relevant Diploma can expect to accomplish the required courses within 1 year and be awarded with a bachelor degree upon satisfactory performance. Therefore, we assume you have acquired the core knowledge of the subject matter in your Engineering Major.

Core Courses

MGT009	Project Management	6
MGT013	Business Process Management	3
MGT002	Change and Crisis Management	3
MGT004	Knowledge Management and Technology	3
BUS007	Conflict Resolution and Negotiation	3
BUS008	Research Skills	3

Elective:

SHL Measurement Tests

SHL042	Installation and Repair Technical Support - Telecommunications	1.5
SHL043	Mechanical Operation	1.5

OR

eLearning Courses

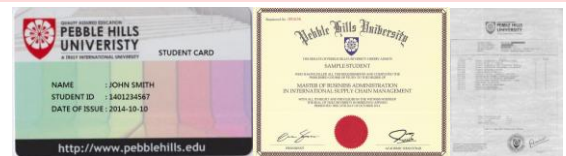

BUS015	Workplace Safety	3
--------	------------------	---

Tuition Fee

US\$1,150 if you complete the program in one year; US\$1,350 if you complete the program in three years

Graduation Package

1. Degree Diploma with cover
2. Official Transcript
3. Alumni ID Card
4. Letter of Graduation

Optional Documents

1. Equivalency Diploma and Comprehensive Report issued by California University FCE, USA \$200
2. USA Department of State Attestation and Authentication of the Degree \$200
3. IAO Certification for Engineering Professionals; which includes: \$500
 - i. Business Card
 - ii. Dedicated Profile page at the IAO website
 - iii. Certification
 - iv. Authorized use of the “IAO Certified” Logo
